

Great Waters plays a critical role in our rural communities: we provide economic vitality through employment and patronage of local lodging, restaurants, and shops, and unite the community in ways only possible through the arts.

We are a small nonprofit with a big impact and value. We have served over 215,000 patrons at more than 200 concerts, provided over \$200,000 in subsidized ticketing and free events, and \$45,000 in financial assistance to high school, college, or graduate music students in the Lakes Region, helping in the journey to connect their gifts with the needs of the music world.

We collaborate with other nonprofits to increase access, share resources, and strengthen the capacity of all of our organizations.

We bring people of all ages and walks of life together for safe, responsible programming to encourage embracing community and sharing in the inspiration that music, storytelling, and laughter bring to all of us.

We are the only organization that offers indoor and outdoor venues for the northern and southern parts of the Lakes Region, other than the Bank of New Hampshire Pavilion.

We really are blessed to have such beautiful places to get together to celebrate life, our community, and the arts.

SUPPORT INSPIRATION

Founded nearly 27 years ago, Great Waters strives to champion extraordinary artists' work and inspire our audiences with vibrant programming.

Your support makes it all possible.

For over twenty-six years, Great Waters has animated the cultural life of our region. Founded in 1995, Great Waters is a nonprofit organization dedicated to culturally enriching New Hampshire's Lakes Region.

Committed to meeting the needs and interests of its various audiences, Great Waters offers a wide range of quality and entertaining shows with Concerts in the Clouds in our exquisite 500-seat tent and lawn seating at Castle in the Clouds, and Concerts in Town in intimate indoor settings.

Great Waters also focuses on educational outreach, offers scholarships, and provides community enrichment, including the Street Piano Project.

We continue to grow and evolve with new performances, concerts, shows in various musical genres, and other special activities. *Join us!*

"We are fortunate to live in such a beautiful place as the lakes region and to have Great Waters bring high quality and fun entertainment right to our backyard. Good things happen when we gather to celebrate life, community and the arts. We hope you will join us in supporting Great Waters and the arts."
